Augie,

We are. I'm not sure what she means. We are back to the summer schedule from before LA Fleet Week. We are keeping the First Thursday schedule, including Crafted. We're including Crafted even after we get to our next schedule.

I'm not sure what she means. I will check with them.

Hey Augie,

I hope you had a great time at Fleet Week and are well-rested!

We noticed the absence of the trolley this weekend and are wondering about the possibility of renewing the port's sponsorship so this can be an ongoing thing for us. I'm not sure how the rest of the outer harbor partners feel; but we've gotten used to having it and feel it's beneficial for everyone involved to have reliable transportation on a consistent, year-round schedule. I mean summer might be over, but for us some of the most beautiful days are in the fall and then it's the holidays!

Let me know what you guys are thinking about doing with it. If you think it would help I'd be happy to go mention it at public comment on Thursday.
